

Cookie, Wafer and Packaging Variety

of the Hans Freitag-Group

Cookies

Molded Cookies

With our large repertoire of forming rollers, we produce biscuits refined with jam, coated with chocolate or decorated with granulated sugar.

Spritz Cookies

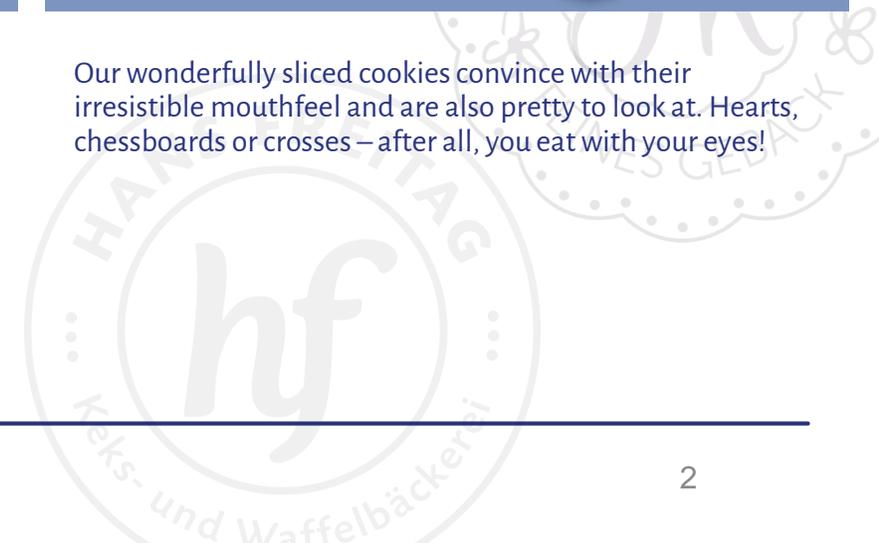

In line with traditional craftsmanship, our pastries are molded into precise shapes using a special production process in order to preserve the classic characteristics of a chocolate paw or a butter spritz.

Sliced Cookies

Our wonderfully sliced cookies convince with their irresistible mouthfeel and are also pretty to look at. Hearts, chessboards or crosses – after all, you eat with your eyes!

Wafers

Rolled Wafers

Crispy and freshly rolled wafers, with or without chocolate. We don't know anyone who could resist!

Filled Wafers

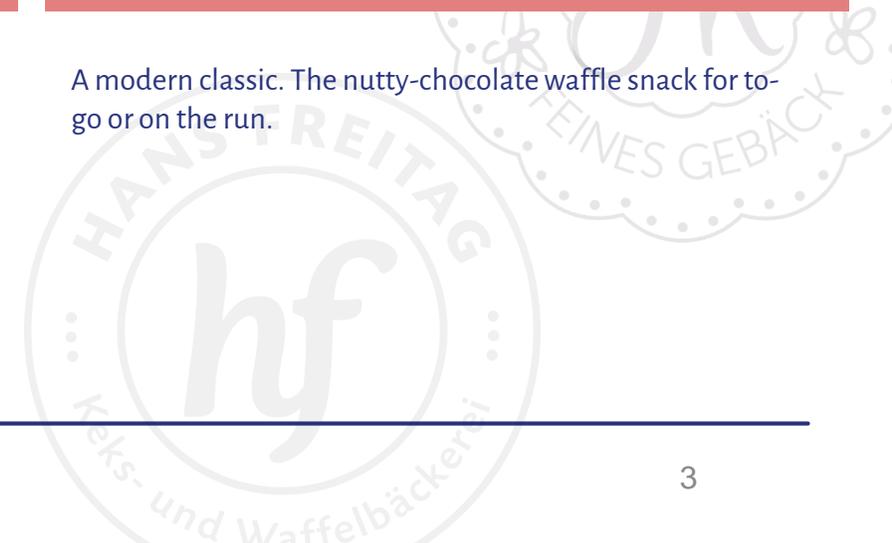

Fruity fresh, intense vanilla or cocoa. Unbeatably good – our filled wafers!

Hazelnut Wafers

A modern classic. The nutty-chocolate waffle snack for to-go or on the run.
